USB Interface Controller

Enclosure

Colour: Black
External Depth: 215mm
External Length / Height: 72.6mm
External Width: 130mm
Material: ABS
Panel: Grey aluminium

Indicator Lamps

Illuminated Dia = 22mm
Colours : Red – Blue – Green – Amber
Input Voltage : 240Vac
Illumination : LED
Rating : IP65

USB Interface

7 Analogue 7 Digital Output USB 2.0 Interface
Output Rating : 10A @ 240Vac per output
Input Voltage : 12Vdc via 240 – 12V Converter

Over ride switches

SPST Coloured toggle switch : Red – Amber – Green – Blue
Contact Rating : 6A @ 240Vac

Keyswitch – Manual Over Ride

Contact type : SPST
Rating : 3A @ 240Vac
2 Identical Unique keys supplied
Key removes after selection

Output Connector

of Contact Pins : 6
Rating : 6A per Pin
IP67
Material : Nickel Plated Brass
